EXPERIENCE

Staples High School, Westport, CT, *Volunteer Researcher* (November 2020-Present)

- Working alongside the head of the history department at Staples, Lauren Francese, to help create, design and promote a more inclusive and diverse history curriculum
- Conducts research as needed, including alumni interviews
- Participates in bi-weekly conference calls to both offer feedback and learn from speakers such as Dr. Yohuru Williams

The Comm, Tokyo, Japan and Online, *Writer* (September 2018-April 2020)

- Produced at least [4 articles per issue](#) for a multilingual online magazine based in Tokyo, Japan, dealing with the latest trends, interviews with fashion designers, influencers and photographers, styling tips and Tokyo-based travel guides.
- Works with a team of 26 to curate monthly issue focusing and exploring certain themes using both traditional and current examples from all over the world
- Helped organise and participate in three photoshoots, as well as two events hosted by the magazine

Filthy Narcissist, Online, *Creator and Owner* (June 2018-Present)

- Created a personal fashion blog to showcase outfits, discuss and research trends, and create travel guides.
- Created and currently manage multiple social media presences to promote the blog, including a Pinterest with over 20 thousand unique viewers a month and use of SEO
- Writing creative blog posts designed to attract and appeal to a large audience with an emphasis on personal style
- Experience designing and customising a personal website

Urban Outfitters, Washington, D.C *Sales Associate* (October 2017-May 2018)

- Part-time employee, working at one of Urban Outfitter's largest and busiest stores
- Received personal praise from multiple customer reviews, with specific focus on styling skills and interpersonal communication

Nyota Magazine, Washington D.C, *Photographer* (June 2017- September 2018)

- Worked as both a photographer and model, styling looks for two issues of a student-run fashion magazine
- Pitched ideas, styled both shoots and was able to photograph and edit to fit the magazine's stylistic needs
- Personal work can be found on the blog

American Literary Magazine, Washington, D.C *Photography Editor* (August-December 2016)

- Helped select photographs for the magazine which is published twice a year with over 100 pages, reaching the entirety of campus through both free hard copies and website archives
- Worked with a photography team of three to review hundreds of photography submissions, organised and hosted group review sessions and helped define an aesthetic for the magazine

COMPUTER SKILLS: Adobe Photoshop, Excel, Word, PowerPoint, Outlook, Google Drive, Wix, Facebook, Instagram, Twitter, Pinterest, and TikTok.
